Parish AED Team
(Automated External Defibrillator)

We have an automated external defibrillator (AED) at Holy Family in case of a medical emergency at Mass or a Parish event. We would like to be able to train parishioners on how to use the AED and if any of our parishioners have had training and are qualified on the use of the AED please contact the parish office. Our goal is to have enough parishioners trained that will be able to use the AED in the event of a medical emergency.
