Building and Grounds Update

We recently had the leaks on the roof fixed, drywall repaired and painted in the Sanctuary. Many thanks to David Quintero and his crew. Also, a Security System consisting of cameras that provide 24/7 surveillance of the church building, church grounds and Rectory have been installed. The Rectory's septic tank has been disconnected and the Rectory is now connected to the City sewer lines.

Also thank you to all the men volunteering to mow and maintain the Church grounds.

Actualización sobre el edificio y terrenos. Recientemente se repararon las filtraciones en el techo, se reparó y pintó el drywall en el Santuario. Muchas gracias a David Quintero y su equipo. Además, se ha instalado un Sistema de Seguridad que consiste en cámaras que proporcionan vigilancia las 24 horas del día, los 7 días de la semana, del edificio de la iglesia, los terrenos de la iglesia y la Rectoría. El tanque séptico de la Rectoría ha sido desconectado y la Rectoría ahora está conectada a las líneas de alcantarillado de la ciudad. También agradecemos a todos los hombres que están voluntariando para cortar el césped y mantener los terrenos de la iglesia.
